## NVR5-8200X

5MP

| MODEL              |                             | NVR5-8200X                                                       |
|--------------------|-----------------------------|------------------------------------------------------------------|
| Video              | Input                       | 8CH Over Network                                                 |
|                    | Output                      | HDMI (1080P, 1280x1024, 1024x768)                                |
|                    | Decoding Format             | H.265 / H.264                                                    |
|                    | Decoding Capabilities       | 1Ch - 5MP ; 4Ch - 2MP ; 8Ch - D1                                 |
|                    | Analytics                   | Camera Tampering, Line Crossing, Sterile Area, Object Monitoring |
| Audio              | Input                       | Depends on Camera Inputs                                         |
|                    | Output                      | 1Ch + Depends on Camera Outputs                                  |
|                    | Two Way Audio               | No                                                               |
| Bandwidth          | Incoming                    | 64Mbps                                                           |
|                    | Outgoing                    | 64Mbps                                                           |
| Recording          | Real-Time Recording         | 8CH 5MP Real-Time                                                |
|                    | 8MP                         | No                                                               |
|                    | 5MP                         | 240FPS (NTSC)/200FPS (PAL)                                       |
|                    | 4MP                         | 240FPS (NTSC)/200FPS (PAL)                                       |
|                    | 3MP                         | 240FPS (NTSC)/200FPS (PAL)                                       |
|                    | 2MP (1080P)                 | 240FPS (NTSC)/200FPS (PAL)                                       |
|                    | 1.3MP (960P) and lower      | 240FPS (NTSC)/200FPS (PAL)                                       |
|                    | Recording Modes             | Schedule, Manual, Motion, Sensor, Analytics                      |
| Playback           | Playback Channels           | 8CH                                                              |
|                    | Search Mode                 | Time-Slice, Time, Event, File Management                         |
| Backup             | USB                         | 2 USB 2.0 Port                                                   |
|                    | DVD Burner                  | No                                                               |
|                    | Backup Format               | AVI/DAT                                                          |
| Remote Application | Master Stream               | Up to 8CH@Recording Resolution                                   |
|                    | Sub-Stream                  | Depends on IPC                                                   |
|                    | Browser                     | Safari (Mac OS) IE (Windows Vista/7/8/10)                        |
|                    | CMS                         | Yes                                                              |
|                    | Mobile Application          | Provision CAM2 for iOS/Android                                   |
|                    | User Access                 | 10 Users Online with Professional Authority Management           |
| Alarm              | Input                       | Depends on Camera                                                |
|                    | Output                      | Depends on Camera                                                |
| Storage            | HDD                         | 1 SATA (8TB)                                                     |
|                    | E-SATA                      | No                                                               |
| PTZ                | Connection                  | Via Network                                                      |
|                    | Supported Controls          | Pan, Tilt, Zoom, Preset, Cruise, Scan, Iris, Focus               |
|                    | RS-485                      | No                                                               |
| Network            | Ethernet                    | 100 Mbps (RJ-45)                                                 |
|                    | Protocol                    | TCP/IP, DHCP, DDNS, NTP, SMTP, P2P, RTSP                         |
