

LCD KEYPAD FOR **VERSA PANELS**

VERSA-LCD-GR

VERSA is a range of modern intruder alarm control panels, intended for small commercial and residential security installations. What makes them stand out on the market are their expansion capabilities - both hardwired and wireless, as well as variety of supported communication media and user friendliness.

FEATURES

- easily readable display
- LED indicators for system and partitions status
- quick selection of arming modes with dedicated buttons
- PANIC, FIRE and MEDICAL hold-down alarms
- keypad and display backlight
- built-in buzzer
- self indication of communication loss
