

LED KEYPAD FOR **VERSA** PANELS

VERSA-LED-GR

VERSA is a range of modern intruder alarm control panels, intended for small commercial and residential security installations. What makes them stand out on the market are their expansion capabilities - both hardwired and wireless, as well as variety of supported communication media and user friendliness.

FEATURES

- LED indicators for zones, system and partitions status
- quick selection of arming modes with dedicated buttons
- PANIC, FIRE and MEDICAL hold-down alarms
- keypad backlight
- built-in buzzer
- self indication of communication loss
